Hanney Youth Football Under 9's - unbeaten in

their last 25 league games. Details on page 25.....

The railway bridge on the

A338, at the Volunteer pub - I am reliably informed that it will be closed every weekend in June, from 8pm on the Friday till 6am on the Monday. At least, so the Network Rail press officer told me. However, the information on the yellow sign that's actually on the road leading to the bridge could be interpreted as meaning that the road will only be closed at night on those

weekends. Whichever, you may need an alternative route, or an alternative location to do whatever it is you would have done in Wantage. If that's eating out, drinking and being merry, my advice is to leave the Morris Minor in the garage and enjoy Hanney's pubs & restaurants.

Neighbourhood Plan

Another opportunity to chip in with your two-penny worth, this time in a lovely garden in East Hanney on Sunday 19th June. See page 12 for details.

Editorial

The last time I sang, my wife laughed till she cried great big tears, and a complete stranger approached her to ask what was the matter. A sad but true story; nonetheless I'm intending to sing again - this time just the praises of a few fine folk who work tirelessly behind the scenes in our community, largely un-noticed and un-heralded. Step up Paul Aram, who features this month due to his splendid efforts with the all conquering Hanney Youth Football Club. See front cover and page 25. Paul also gets another G.E.M award (Good Egg of the Month) for organising an evening recently where the young folk of this Parish made their contribution to the Neighbourhood Plan. 26 youngsters turned up and a most interesting evening was had, with only one sour note - all the pizza was gone before I got to the front of the queue. Paul was ably assisted by another GEM, Stewart Scott, whose efforts as vice-chair of East Hanney PC and main man of the flood group must also be mentioned. Both these gents work incredibly hard for our community. And if you're not convinced by all this talk of 'community', be sure to read a very lovely letter on page 14 from Yael Rothwell, a relative newcomer to the village who's moving on soon. Thanks Yael, we wish you and your family all the best for the future. Do read the other letters as well; they all contain thanks to people who have helped in some way or other in our 'community'. Another GEM to hand out, this time to Claire Youlden, who as well as taking the

snap on page 15 of the splendid folk who raised £300 (!) at the recent Christian Aid Coffee Morning, also 'dresses' the Community Shop window. Big up thanks to Claire, a talented and artistic lady who used to live in East Hanney, but even though she has now moved away, still does her bit for the shop.

For all our GEMs, let us be thankful...let us...lettuce...gem lettuce...oh never mind. We've a few new advertisers this month, so welcome to them, and if you're running a business and are looking for advertising opportunities, start by checking the Hanney Football article on page 25. Also remember 'Hanneyfest' is happening in Sept. They too will be producing a programme and looking for sponsors. And just to mention that back issues of Hanney News, certainly the more recent ones anyway, are available, just ring me. Meantime, the splendid chaps Dene Stringfellow and Trevor Page who run the Hanneys website - see back page - are archiving all previous issues, right from the very first one back in Dec 1975. All will be available as PDFs on the website. There really is loads going on this month as the Summer arrives - I hope! - so please get involved, you won't regret it.

To finish with some very sad news - Hanney lost one of its great characters recently with the passing of Gerald, known to many as 'Sedgie'. He was a familiar sight around the village and will be greatly missed. His obituary is on page 11.

East Hanney Parish Council

Over the coming months, your Parish Council plans to maintain and refurbish the playground and its equipment, install some form of barrier around the sports field to stop unauthorised vehicular access, and the installation of protection to some vulnerable verges in the village. Should anyone have any suggestions of **possible** new playground equipment that could be installed, please contact the Clerk as contributions from developers could be used to purchase any such equipment. The total cost of **the work being done** is expected to be in excess of £10,000. Additionally, a survey of trees that the PC is responsible for will be undertaken, and any necessary work to maintain them completed. The Parish Council will continue to work with specialists and partners in drafting responses to any planning applications that are forthcoming.

Please could all dog-owners and walkers use the provided dog-waste bins and not hedgerows, field edges or other bins around the playing fields? Dog-waste bins are specifically provided for the purpose of discarding dog waste and protects the person who empties them from contamination when they are being emptied. This waste can, of course, also be taken home and placed in your domestic waste bins that are provided to you by the Vale.

The **VWHDC Local Plan 2031** is in its final stages of inspection and it seems that the outcome of this may be made public prior to the appeals by Linden and Barwood Homes against the rejection of their applications (P15/V1616/FUL and P16/V1846/O) are heard, and before the Vale's Planning Committee considers the development to the South of the Causeway. This could well have an effect on the outcomes for these appeals and application.

For the coming year, EHPC has decided to meet monthly on the **first Wednesday of each month with a new start time of 8pm, in the Old Hanney Room**. Each meeting will be a full meeting, considering all parish council business, including planning applications. The meeting agenda will be available to view as usual on the notice board outside the Community Shop, Facebook and the EHPC website a week in advance.

Next meetings - 1st June 2016 and 6th July 2016.

Hanney Youth Football

The Under 9s are unbeaten in 25 league games, were runners-up in the Oxford Mail Autumn Trophy and won the Spring Trophy. The U8's were runners up at the same tournament to finish third.

The U13's recently were awarded the 'Sporting Play' award at a tournament where clubs from all over the country competed.

The 'Rising Stars' now have 14 players, so we hope to have strong teams coming up through the ranks. The club numbers 50 players and is ten years old this year. We are replacing the old vandalised floodlights using an £8k grant from Tesco with new brighter, lower powered LED lights which are less light polluting, and will be treating the field to improve the grass and drainage.

We will be holding our Tournament on Sat 25th June at the Rec, with 68 teams

The 'sporting' U13's

and over 1000 players and spectators expected. As well as advertising in our programme, this is a great opportunity for local businesses to display and promote their goods and services to a large number of potential new customers, as we are creating a 'Business Arena' through which all those attending the tournament will pass on arrival, during the event and again at departure. For more details, contact Chris Aram on 07930 449 564

We welcome the village to come along, watch some great football and grab a drink and a bite to eat whilst there.

West Hanney Parish Council

We were saddened to learn of the sudden and unexpected death of Gerald Sedgewick. Another village character lost to us. He will be sadly missed by many people in the Hanneys and of course especially in the British Legion and The Plough where he had so many friends. Our sincere condolences to his family.

Our plans to develop a dedicated West Hanney Parish Council website are now at an advanced stage and it should not be too long before we can announce the details. Likewise our Neighbourhood plan is progressing well although the job is complex due to so many issues having to be addressed.

Our annual accounts have now been produced, verified and signed off and thanks go to our clerk, Kay Sayers, for her tireless efforts in this area. Our financial status is in good order and the future is secure.

The two major planning applications in our village, 15 houses on the field off School Road, and 8 or 11 adjoining the Church Farm development have not yet been determined though we are expecting decisions fairly shortly.

The 'Speedwatch' team are still operating on several days throughout each month but could still use some more volunteers. Please, if you have a few hours to spare, even once a month, contact Gerald Chaffey on 868627 for more information. The villages now part of this initiative together with East and West Hanney are, Kingston Bagpuize with Southmoor, Stanford in the Vale, Charney Bassett, Littleworth, Shellingford

There are also still allotments available to rent. For details contact Kay Sayers on the number below.

Now that the growing season is well under way may we ask all residents to ensure their hedges are cut back to allow free passage along our footpaths. There should be at least 4 feet clearance to allow for parents with pushchairs and of course wheelchairs.

The free A1 Community Bus Service is unfortunately scheduled to end on 20th July. We have investigated the possibility of providing our own village community transport scheme but unfortunately the costs involved at present are beyond our reach.

Next meeting - Tuesday 28th June - 7.30pm - St. James the Great.

THE CHURCH OF ENGLAND

Dear Friends

"I'm bored!" is not an expression I would expect to hear from the many readers of this well edited and stimulating village magazine. But do you get bored? I would rather be busy than bored. My idea of hell is boredom; eternal, tedious and boring nothingness.

On one of my journeys around the Benefice, I heard a snippet of a Radio 4 programme presenting an item on boredom. Apparently boredom is not doing nothing. Nor is it daydreaming; rather it is the lack of stimulation. Something that is both mind numbing and pointless. We can be bored in a lecture, in a meeting, even during a conversation.

A lady called Sandy Mann was explaining on this particular programme that there are two opposite results of boredom and lacking stimulation.

It can lead to negative and destructive behaviour; from the aggression of smashing property to the less violent search for food - that when we are bored and go to the kitchen to find something to eat bored people will never choose a healthy option rather they will pick fatty or sugary foods because these have substances that stimulate our bodies.

The other effect of boredom is creativity. A much more positive reaction that can cause us to be more creative. An exercise was set asking 2 groups of people to list as many different things they could do a couple of polystyrene cups. One group had been set the tedious and pointless task of copying a list of telephone numbers. The other group had no such task to perform. What they discovered was that the bored group came up with far more creative ideas and suggestions than the other one. So boredom can be good for your creativity

If you go through a period of enforced inactivity, such as being stuck in a traffic jam, or waiting for delayed train or finding your Internet connection is slow and not responding; it need not be as pointless as it seems. Rather, it can be the preparation time for productivity, like the planting a seed waiting to take root and grow.

The early Christians were told to wait for the promised gift of The Holy Spirit. Waiting on the Lord is not passive inactivity, rather an opportunity to be ready to God's timing and receiving his spiritual resources. The practice of

With lots of new activities planned for 2016 your Fayre committee are very busy working out how we're going to fit all the things you can do into the afternoon and it's going to be lots of fun!

By popular demand we are opening the Food & Drink outlets from 1pm- so plenty of time to come along and have some lunch - and bag a place at the front to see this year's brand new opening event - watch this space to find out more!

More competition category details will be available from the Community Shop and St James Church from 1 June.

And last but not least we need YOU - please contact us by email info@hanneymichaelmasfayre.co.uk or phone 07831 690524 (Hilary) - we need lots of helpers and lots of books, white elephants and vintage or nearly new clothes (men's, women's and children's).

Winter Lane footpath...nothing very exciting to report. Latest is that the Oxford County Council Highways have sent some technical queries to Bellway the

developer. Hopefully, they will have been answered by the time you read this. Legal stuff then to sort, before - finally! - paving slabs, diggers and Bob the Builder appear.

ULTRA RESIDENTIAL CLEANING if you're not completely satisfied we will re-clean and re-charge. We clean again FREE of charge.

taking a sabbatical or going on retreat is part of that process and the biblical command to have a weekly Sabbath rest is to bless us with the opportunity to recuperate and be re-energised.

I certainly believe that a Christian spiritual response to boredom is productive, not destructive. I hope you will not be bored as we enter the longer days of summer; but if you do have times of frustration remember that with the LORD the outcome can be positive.

Obituaries

Gerald Desmond Sedgewick

The Hanney community lost one of its greatest characters recently with the passing of Gerald Sedgewick, aged 71, known to many as 'Sedgie'. Over 250 people attended his funeral at the Crematorium.

Gerald was born on 17th Aug 1944, in 'The Cottage', Main St in West Hanney. He attended East Hanney C of E school and then the Ichnield school in Wantage. Leaving at 15, Gerald worked on a building site for a year before joining Cripps and Sons, of Charney, a furniture removals company. When they closed he found work with Luker Bros of Oxford, another removals company. Following a serious car accident Gerald had to give up work.

His passion in life was fishing and anything to do with nature. A generous and happy man, Gerald was enormously popular and had a massive number of friends. They, and his family of course, will all miss him. Gerald was 71 when he died, in the same cottage in which he was born. A true Hanney man, a true gentleman, he will be sorely missed.

Joan Flynn

A long term resident of East Hanney, Joan sadly passed away on 10th April aged 86 yrs. Joan was born in Chesterfield and lived in Derbyshire until she came to live in Hanney with her husband, Maurice Flynn (Sergeant RAF ret'd) in 1969. Joan had 2 children, Marcus & Christine. She also had 2 grand-children and 5 great grand-children. Marcus would like to thank everyone for their cards and kind words.

Come for a Cream Tea and share your ideas about the future of our villages, what you would like, and what facilities are needed so that they can be included in the **Neighbourhood Plan.**

We are a small, friendly, rural pre-school set in the grounds of St. James' school in East Hanney. We take children from the Hanneys and surrounding villages and pride ourselves on providing a high level of quality childcare.

For some time now, we have been in desperate need of a new building. We are currently housed in a prefab which has seen better days! For the past few years we have been fundraising and building up our pot of money in the hopes of one day building a brand new preschool for the Hanneys.

This year work will begin on extending the school and we feel it is a perfect opportunity for us to try to put our plans in place too. We need £200,000 to be able to start the build and are relying on your help to achieve it! Our dream is to have a bright, airy pre-school with office space and modern toilet facilities for children and staff.

Thanks to your help in the past, we are nearly halfway to our target, but we need to continue working hard. Previous

donations have enabled us to erect an exterior classroom gazebo and to purchase a new laptop and new iPads. We are extremely grateful to the local community for all their help and support and hope we can count on you to support us at an exciting event we have planned. See our ad opposite. Please visit our website www.hanneypreschool.co.uk to find out more about us or to donate some money via our virgin money account. We know we can count on your help!

Things to do:

Dear Editor

On April 16th we held a 1940's themed charity dinner dance in the War Memorial Hall to raise money for the Anthony Nolan charity in memory of Mark Sacco. It was a great evening with everyone getting into the 1940's spirit with their clothes and hairstyles dancing to fantastic live music by The Three Belles.

A huge thank you to Phil Curtis from The Plough who not only provided extremely tasty ribs, chicken and desserts but also supervised the kitchen helpers throughout the meal and ensured the food got to the tables. We would also like to thank everyone who helped us to put on the event and everyone who cleared up the Hall afterwards. Special thanks to Gill Parry and Dave Stubbington who worked with us to plan the event and to De Bromley who sold lots of raffle tickets on the night.

We raised £750 for Anthony Nolan so thank you to everyone who came to the dance or bought raffle tickets. - Graham and Sue Garner

Dear Editor

To all the wonderful people who embraced me and my family into your fold when we moved here and to all the brave customers who took a chance on me, thank you ever so much for your help and support. I will forever carry you and this beautiful village in my heart as I move to new pastures away.

With all the best wishes and love, - Yael Rothwell

Dear Editor

It's not often that global corporations receive valedictory communications but I

would like to place on record my thanks to your department which gave us legible road signs in the villages. The filth growing upon the street furniture failed to shame OCC but the good bergers at Hanney News Global International have set standards OCC should aspire to. I'll bet Ian Hislop could not have achieved a better result. Dave Bratley - Trained Observer (Retired)

Dear Editor

We would like to thank our loyal supporters who attended Lunch in the Church on April 23rd. They helped create a wonderfully happy and friendly atmosphere and we raised £278 for Church and Tower funds.

We would also like to express our thanks to Liz Woodhouse for her 15 years of patient leadership as our Tower Captain and wish her and Eric many happy years in their new home in Stanford in the Vale. Anyone wishing to join us in ringing is very welcome to come along on a Wednesday evening for a taster. New classes will begin in September.

Best Wishes to all from The Hanney Bellringers.

Dear Editor

Although I have personally thanked Bob Wilson I wish to do so publicly and thank Bob for all his efforts, and not inconsiderable skill in rallying volunteers, for the annual Hanney Litter Pick.

Bob, despite retiring from the EHPC last year, offered to organise the event knowing that the current members of the PC were being overwhelmed by the demands of completely unsustainable planning applications and subsequent appeals. Thanks again Bob.

Steve McKechnie

Letters - continued

Dear Editor

Once again Hanney's Christian Aid Week Coffee Morning drew plenty of people who enjoy good coffee and tea and real homemade cake - once they've bought their plants ! This year we raised £300 -up again on the last year or two - to support people in distress, this time those living precariously in Bangladesh where worsening floods increasingly overtake their fragile homes.

So all thanks to customers, our 'makers

and bakers', donors of prizes especially our local "Well Preserved" label, the local Co-op for all the fair- trade tea and coffee, our shop window dresser and of course 'the team'. See you next year !

Pam Blustin
