## West Hanney gets its own Defibrillator

Thanks to the splendid efforts of many folk, chief amongst them Katie Barber, a defibrillator is now available in West Hanney, attached to the garage building opposite the Plough. Our pic shows Katie, and Graham Garner

of Hanney Community Association who were also involved in making it all happen. Big up thanks to them and everyone who donated to the cause. Now here's how it works....in order to get to the defibrillator - it's in a weatherproof case - you need a code, and this you get by ringing 999. You will also of course request an ambulance to be sent, cos this

kit is not for someone with an unsightly pimple or a touch of 'manflu' - oh no, dear readers, this is for cardiac arrest - serious stuff. The 999 operator will talk you through how to use the unit and the defibrillator itself is pretty fool-proof, telling you what to do and not allowing you to give a shock to anyone who doesn't need it. If you want to know more, come to the next training session here in Hanney...see below. And remember, there is also a defibrillator in the doorway of the Village Hall in East Hanney.

**Oh Dear!....**Dave and Steven haven't got this defibrillator business quite right. Boys, you don't need to bring your own jump leads and anyway, if the patient is standing up and grinning, he probably doesn't need defibrillating! To learn about the defibrillator and CPR (Cardiopulmonary Resuscitation) come to

the next session run by South Oxfordshire Ambulance Service and arranged by the Hanney Community Association, on **Weds 12th Oct, 6pm, at the Village Hall.** Ring or email me, Jim - contact details bottom of page 2 - to book your place. It's free, though a modest contribution is very welcome.

**Can you help?....** *The Michaelmas Fayre, happening on 24th Sept, needs helpers...see page 5. The Community shop needs folk to work behind the counter...ring Hazel on 868145...and to help collecting the milk and bread from the Co-op in Grove....ring Ray on 868015. More details on page 3.*

Friends, I've gone big this month on the defibrillator, even replacing our logo with a pic of the brand spanking new one now in West Hanney. September is always a busy month for the Hanneys...the **Michaelmas Fayre** in West and **HanneyFest** in East. Both events are fabulously family-friendly affairs - full details in this month's issue. Do try and get along to both - I guarantee you won't be disappointed. A bit of decent weather would be helpful but is not crucial. I know I'm always banging on about 'community', and these two happenings really do capture the spirit of our great villages. I will be wandering around at both events, taking a few snaps, and for a time, I shall be manning - should that be 'personning' in these PC

A little Gem

times? - the Hanney Community Association stand. Please come and say hello...bring a cupcake if you're feeling generous. Talking of community, you may not have seen a string of postings on the Facebook page recently on that very topic. I hope the contributors won't mind me repeating a couple of the comments that were made.....'*It's a lovely village - I grew up there.*' *'You won't regret moving here - best thing I ever did. Just wish I had moved sooner.'* *'Great village...great villagers.'* Choking back a little bitty tear, it's time to mention a few more 'good eggs of the month' - GEMS...lettuce be thankful for all

## Editorial

their hard work! First up is of course Katie Barber, GP, wife, Mum (and one day maybe, resident at number 10!) a busy, multi-talented/ tasking lady who you'll already have met on our front page. She has been the driving force behind obtaining both of our defibs..and that's no lie! (Defib...fib...lie? Please yourselves.)

Next up a brief mention for Alisa Hughes, our cool, calm and collected post-mistress, who until recently has also found time to help deliver Hanney News. Big up thanks to you Alisa for all your efforts. Some interesting letters this month, a couple of new advertisers, and all the usual stuff that makes up the feast that is Hanney News - he said, somewhat immodestly - all with

a drizzle of silliness over the top. By the way, we've increased our circulation to nearly 1,000, and, for the first time in 14 years, have put our advertising rates up slightly. The last increase before that was in 1990. Through some prudent fiscal policies adopted by our Treasurer, we have not had to increase the cost to clubs and societies to advertise their events. For just £1 a month, those details will continue to reach a lot of local people..a 'lorra lorra lot' as our Cilla used to say...bless. Talking of showbiz and razzamatazz, luvvies are needed by the Hanney Drama Group...details on page 19 if you fancy treading the boards!

## East Hanney Parish Council

The Parish Council is finalizing the plans for the installation of fencing to secure the playing fields in East Hanney from future unwanted incursions. Teams and groups that use the fields to access the pitches or other facilities will be provided with the means to open a gate that will be in the fence. The work is likely to begin in early September but when we know the exact date, it will be communicated via the PC website and Facebook page.

As you are no doubt aware, the PC is a member of the Letcombe Brook Project and in the last year the Letcombe Brook Project worked closely in partnership with East Hanney Parish Council and the local community to enhance and protect the Brook, reduce flood risk and help people appreciate and enjoy the environment.

Additionally, the Letcombe Brook Project organises training events. Two free places for training on the Riverfly Monitoring project are now available. This important environmental project aims to establish a biological monitoring programme, run by local people, to continually assess the health of the Brook. If you are at all interested in this training, please contact the Clerk by the 15<sup>th</sup> September.

*East Hanney Parish Council meetings are open to the public and are held on the first Wednesday of each month at 8pm. The agenda will be available to view on the notice board outside the Community Shop, on the PC website and on Facebook one week in advance.*

**The next meeting is on the 7th September 2016.**

## West Hanney Parish Council

Unfortunately, despite all the efforts of a resolute band of residents and the parish council, the Vale planning committee decided to ignore all our valid reasons why the site for 15 houses off School Road was in a totally unsuitable location and the application was passed by a majority vote.

We at least had more success in persuading the committee to accept the application for 8 detached houses on the site to the side of Church Farm, rather than the 11 the planning officer recommended. This was very much a combined effort and we have to thank Matt Barber, local residents and indeed Sweetcroft themselves for obtaining the best outcome for the village. Do remember that initially the planners wanted 19 or more on a much enlarged site!

There will be no affordable/social units on this site as the committee accepted the fact that this is not a suitable location for such houses given the size and quality of other houses in this part of the village. Sweetcroft will be paying an offsite contribution to the Vale to cover the cost of affordable units elsewhere.

After many negotiations and discussion meetings, Sweetcroft will now gift the 7.5 acre field adjoining the community woodland to the village under the ownership of West Hanney Parish Council. Our intention is to leave this field basically as it is and try and nurture it as a wildlife meadow with access for all. Another route for dog walkers!

We have been talking with the Integrated Transport Unit at Oxfordshire Council concerning the possibility of the parish council funding a community bus similar to the recently withdrawn A1 service. It is possible to organise such a service but at the moment the cost would be too prohibitive for us as we would be charged around £40 for each return trip to Wantage via Grove. We have not given up however, and will continue to seek an answer including looking for sponsorship and asking for contributions from developers via S106 money.

## Letters

Dear Editor

I read your piece about nuisance from Benson's Chinooks in last month's Hanney News, with interest.

Here in Denchworth we have also had more than our fair share of helicopter noise nuisance over the years and it continues with the Chinooks. I've tried the avenues of complaint you suggest but essentially got the brush off. The sentiment expressed is best summarised by: It's MoD air space and we can do what we like; the aircraft were operating within permitted guidelines (even if they were not). The complainant is left with the distinct impression that the RAF do not have any intention of modifying their behaviour to accommodate the legitimate expectations of the local community. I found that our MP, Ed Vaizey, was more effective in getting them to act with some consideration.

On one occasion a military helicopter flew at first floor height about 75 m from my house. The side door was open and a serviceman was pointing a heavy machine gun straight into my study window. I raised the matter with Ed Vaizey MP who had helped with hedge-hopping by these aircraft before. This stimulated a reply from a junior Minister in the MoD who told me that I need not have had any concern because the gun was not loaded. So that's alright then! Anyway the pests were much less in evidence thereafter. I take your point about the need to practice flying but if they need a large flat field why not use Abingdon Airfield or another part of the MoD's 593,000 acre estate? In any event, its quite absurd having a helicopter training base in the centre of the Home Counties where there

is a large and rapidly increasing residential population. The helicopters should be moved to another location in a remoter part of the UK. RAF Lossimouth, Chivenor and Valley come to mind, where there is plenty of sparsely populated land nearby. Benson could then be sold off for a great deal of money to house builders and thus deflect the latter's avaricious appetite for blighting the countryside around here. Regards,  
Dr Ron Barnes.

Dear Editor

Inspired by the recent opening of the A338 bridge, I decided to celebrate the opening of the nearby Cow Lane bridge this afternoon, 24<sup>th</sup> July, safe in the expectation that the "Cow Lane Promise" of opening precisely on Wednesday 15<sup>th</sup> June had taken place more than five weeks ago. Imagine my shock and disappointment that my way was still barred. Could it be possible that the same efficient and reliable contractor had again failed to deliver on time?? Perish the thought! But my eye was drawn to the adjacent site plan, showing a protection measure in the form of a "Newt Fence" facing the A338 – and at once I understood the reason for the delay! Clearly this safety critical barricade had been breached by the 300 Trituri you mentioned in last month's issue, enraged at being evicted from their home near the Volunteer pub and terrorising the workers on the Cow Lane project. And Hanney News is worried about a few crocodiles stalking the Winter Lane footpath – get real!!

Dear Editor

I would like to thank the Green family for all the hard work they put in, keeping our village greens, footpaths and playing areas so tidy. This year has been particularly wet and the grass has grown even more quickly than normal. The rain must have given them extra problems and delays, but they have kept calm and carried on.

## The Hanney Parochial Charities.

I'm sure that many of our readers will not be familiar with our very own small local charity that actually has its origins way back in 1611! Of course it has evolved a great deal over the intervening 400 years, has amalgamated with other charities, and is now known as the 'Hanney Parochial Charities'.

A book detailing its history is currently being written by one of Hanney's finest authors Angela Cousins. Due out in a couple of months, it will make a fascinating read and a unique Christmas gift...plug plug! Our specialist literary team here at Hanney News are standing by to bring you a review as soon as it hits the book stalls.

Back to the charity itself...as with so many organisations in our community, it's run entirely by dedicated volunteers, who, in some cases, have been involved for over 50 years. It makes awards - a sum of money - in three specific areas.

The first is to **young people in further education or apprenticeships** who may use the award to help towards the cost of books, or any items of equipment that

they might need to assist with their studies. Applicants must be under the age of 25 on 1st Oct 2016, and to apply, should contact [rickhuckstep@yahoo.com](mailto:rickhuckstep@yahoo.com) for an application form. The closing date is 30th Sept. The application will be considered by the Trustees, and if approved, payment will be received by 31st October.

The second area is with **hospital transport costs**. Anyone without independent means of travelling, who has hospital appointments may apply for help by contacting either Chris Surman on 868749, or emailing [sandyandchris@btinternet.com](mailto:sandyandchris@btinternet.com) for West Hanney, or Kathy Rolfe on 868341 for East Hanney.

The third area is for anyone who is experiencing **short-term financial difficulties** for whatever reason. Please contact any of the above about possible support.

So long as you live in East or West Hanney or Lyford, and are in any of the above categories, please do consider applying. Remember, this is your charity and there is no stigma attached to making an application.

*The Hanney Parochial Charity is registered with the Charity Commission and our number is 205792.*

## THE CHURCH OF ENGLAND

Dear all!

As I write, we are counting down the days until all our worldly possessions will be put into brown boxes and shipped up the A34 to our new home in Hanney. My name is Alec and from September I will be moving into Hanney and I will be working with the Anglican churches in East Challow, Denchworth, Hanney and Grove, as the associate Vicar. We are currently living down in Thatcham where I am a Church of England curate, but we are about to switch the quiet waters of the Kennet and Avon Canal for the beautiful farmland of South Oxfordshire. I am trying hard to avoid this sounding like a cross between a CV and a social media profile, but I just wanted to introduce myself with a few random facts; I have spent my life living in different parts of the South of England; my wife and I have 4 children and one cat, I enjoy watching movies but have never seen Game of Thrones, I have been involved in the church all my life and hope to spend more time out riding my bicycle once we have moved than I currently do. Change is never easy, and moving is one of the most stressful things that you can do, but as we are getting ready to move again, to say goodbye to old friends and to say hello to new ones. I am reminded of God's words to Joshua in the Old Testament, as he is about to start a new role and move into a new place; "Remember that I have commanded you to be determined and confident! Do not be afraid or discouraged, for I, the LORD your God, am with you wherever you go."

Starting new things can be both exciting and scary, whether it is starting a new school term, beginning a new project at work or working out what our new relationship with the EU and the wider world will be. I find great comfort in these words to Joshua that the Creator of the world wants to journey through life with us, through the rough and the smooth, and to not let the challenges and opportunities that we face in life get on top of us.

I am looking forward to settling into the Benefice of the Vale, finding my way around, getting to know people and seeing what God has in store for us in East Challow, Denchworth, Hanney and Grove over the coming years.

God bless  
Alec Gill

### HANNEY HALL WANTS SOLAR!

The Hall has been shortlisted by M&S Energy to win funding to install an 11kW solar PV array on the roof of the Hall. It would greatly reduce our annual energy bill and help to maintain the current hire rates for all our users. To win we need people to log on to a website and vote for our project from September 1<sup>st</sup>. **More details will be in next month's edition but in the meantime, look out for posters that will give details on how to vote and support your village hall.**

### The Winter Lane footpath.

No edition of Hanney News would be complete without the latest in this ridiculous long running saga. Of course, now it's holiday time, so there isn't really any update to give... not a sausage I'm afraid by way of definite news. Grrr!

### HURRY! Quick - there's still time to join

#### RIDE and STRIDE 2016 - Saturday 10 September

Enjoy cycling? Or walking? The beautiful village scenes of Oxfordshire? Why not spend a few hours one day combining these? And at the same time raise a little money to help OHCT continue to give Grants to restore and maintain some of the most beautiful stained glass, wall paintings and buildings in the county. If you can't do this on 'the day' you are welcome to do your bit another day - and you can do it anywhere you are. So far one person is doing this in Venice and one in Edinburgh! 50% of what you raise will come back to Hanney - either to help St James or shared with a community organisation (a new pilot scheme) - for more information - Hilary - [hilary.a.hall@gmail.com](mailto:hilary.a.hall@gmail.com) / 868590 or [www.ohct.org.uk](http://www.ohct.org.uk)
