Number 517 Dec 2018

The Holly and Christmas Gift Fayre, on Sat 8th Dec.

is just one week away. It's not to be missed - 10am till 12 Noon in St James Church. Sixteen stalls are booked - jewellery, pottery, paintings, cards, candles, cakes, woolly stuff, Christmas decorations a wide range of gifts, and of course Bob Wilson's holly and mistletoe!

You can leave the little ones in safe hands at our 'Children's Corner' whilst you shop in peace.

Refreshments will be available, including mulled wine. Last, but by no means least, Father Christmas himself will be visiting! It all happens in our beautiful Church and is a welcome fund-raiser for them, a great community event and an ideal opportunity to buy unique gifts, all at bargain prices.

Community Shop News

The 2019 calendar is now available.

We also have two lovely children's books written and illustrated by a local lady...a lovely present for young children.

The shop will be closed on Christmas Day, Boxing Day & New Year's Day.

All the volunteers wish you a very happy Christmas and all good wishes for 2019.

Hazel - Chair, Community Shop.

Join us at St James School for our

"Christmas Spectacular."

Our magical Christmas Market and Fete will be

held on Saturday 15th December 2018 from 11.00am - 2:00pm.

(See the enclosed flyer for full details.)

This from Mrs. Peacock, Headteacher at St James....

"Ofsted recently visited, the first time the school has been inspected as a part of the Vale Academy Trust and everyone involved was keen to give the inspector a flavour of life at St James. After two quite gruelling days we were delighted that she really got to know the school and we achieved a rating of good in all areas. She particularly commented on the family feel of the school and how well the children in reception class settle in to their new environment.

I would like to take this opportunity to thank everyone for their positive comments to the inspector and also to all members of staff."

Janice Peacock

First off, thanks to everyone who said nice things about the Armistice issue last month...and of course, thanks again to all those who contributed to it. You'll remember Martin Trowell's moving poem? Well, two more talented poets have stepped forward, Angela Cousins and Andy Robertson. Angela won a prize at the recent Wantage Literary Festival and I will be printing her poem next month. Andy's is on page 10. And if you fancy penning a few poems yourself, there's a new course starting in January, in Wantage, on how to do it...details also on page 10, as is an article from a local gent who makes unusual films and is intending to show them at 'pop-up cinema' events around the county. Check out his rather quirky (!) piece.

As ever, lots of jolly village 'stuff' going on this month. I've said it before, but it bears repeating...if you're new to the community, do please join in...we're a friendly bunch, with the odd exception.

(I'll list them next month.) 'A Very Hanney Christmas' is happening again on Sat 15th Dec, details page 5. The St James Church Holly and Gift fayre, and the School Xmas Fete are also 'musts' for your festive diary.

But it's not wall to wall Christmas...the not at all Christmassy 'Mamma Mia Here We Go Again' is showing at film night on the 7th Dec. See page 5. The recent 'Auntie Mary's Canaries' night was a roaring success, with £830 being raised for Cancer

Editorial Research and the Brain Tumour Charity. Well done to all

involved especially organiser Gill Parry. One of the regular events I most look forward to in the hectic, corporate, high rolling whirl that is my life these days, is my weekly visit to the Senior Citizens Coffee Morning, every Tues in the village hall, from 10 am to 11.30 am. A friendly welcome awaits, tea or coffee, custard creams, a raffle, and much chat...always informative, entertaining and often hilarious. If you don't go, and sadly, not many do, please give it a try.

I often witter on about 'community' and on page 11 are details of an opportunity to nominate someone whose efforts within our community you feel should be recognised via a 'High Sherriff's Award'. That's a county-wide award and any recipient should feel proud. I can think of many worthy candidates.

Page 14 is where you'll find Jaunty Jilly's latest, prosecco-fuelled effort. She brings good news for our Parish Councils and all the clubs and societies who use

Hanney News for publicity.

Early in the New Year I expect to have some advertising space, so do ring me - 867500 - if you have a local business you want to promote.

Next year's Michaelmas Fayre date is already set...Sat 28th Sept, and it's still not too late to apply for a grant from the funds raised at this year's. Page 13 for details.

Finally, just room to wish all our readers a very Happy Christmas from us here at 'Hanney News Global International.'

Ok, Ok...I promise not to sing...but can I at least do my 'duck talking on the telephone' gag?

I really hope this article is a waste of space, given the community we live in, but **Citizens Advice** have asked me to let you know that they offer a 'haven' - their word - for **'hate crime'** victims. They add...*"Citizens Advice Oxfordshire South and Vale has become a "hate crime reporting centre", providing a safe environment where you can tell specially trained staff what happened to you. We can then contact the police if you want, and refer you to "Victims First", a service which will provide the support you need to recover from your experience. You can report a hate incident or hate crime even if it wasn't directed at you personally."*

Contact Citizens Advice in person during opening hours or by phone... (Advice line: 03444 111444). For locations of offices and opening hours see www.citizensadvice.org.uk/local/oxfordshire-south-vale

Citizens Advice have also told me about the **Warm Home Discount**, a new kind of grant offered by the government and energy suppliers, aimed at people on low incomes. For more info, check the government website: www.gov.uk/the-warm-home-discount-scheme or call Citizens Advice...details as above.

Ronnie Roach and his team mates from the Hanney Youth FC Under 8's recently held a sponsored walk to raise money to buy a portable shelter and 8 seats ready for those cold and wet mornings at

home and away games. Hanney News' very own 'News Fund' was happy to make a contribution. Well done to everyone involved. Stay warm and dry!

The annual "Mark Sacco and Roy Williams" Memorial Aunt Sally match recently took place at the Black Horse, East Hanney. Traditionally played between the Black Horse and The Plough, it has now reached its 4th year. A great turn out and a very enjoyable evening, despite the inclement weather! The trophy moves to the Black Horse

for the first time this year, with a resounding victory. Well done to the winning team. Thank you to everyone who turned up to support and play. A collection for Anthony Nolan Bone Marrow trust raised a total of £277.65. A special thank you to the winning Black Horse team who donated £50 from their blob money to the cause." *Janice Aram*

An unusual plea.....

I recently had the pleasure of attending a Hanney W.I. 'open' meeting where the guest speaker, Dr. Caroline Jackson, gave a fascinating talk about a 19th century soldier called Primrose. I chatted with her afterwards and she asked that I pass on a request. The bulk of her talk was based on research she had done using archives, old diaries, photos, drawings and many other sources of info. Her plea was simple...please don't throw away old

'stuff' - it will be invaluable to future generations, and please don't store it in a damp basement. She added that if you wish to conduct military research yourself based on your archives, she would be delighted to help. Her website is www.drcarolinejackson.com Finally a big thank you to the W.I. for arranging such a superb speaker; please consider allowing us chaps to attend more of your meetings.

East Hanney Parish Council

The Parish Council (PC) membership will be up for (re)election on the 2nd May 2019, when the PC will be expanding to 8 members. If you are interested in the village and its community, and would like to help shape its future, please do stand. To find out more, please contact the Clerk by email or telephone. All nominations must be submitted by the 3rd April (at 4pm) and all candidates must be proposed and seconded by voters registered in the village.

East Hanney PC, after considering all the arguments, have decided to seek the installation of gates at the entrances to the village on the A338. Evidence from the County Council is that they have a positive effect on traffic calming and along with the potential installation of a Puffin crossing as you will have read in this publication, should make a significant improvement to road safety on the main route through the village. The Council is planning a village celebration in January next year. This will be centred around a bonfire. There are no plans for fireworks, but the event will hopefully include a band and access to the Hall's bar with other refreshments

available! Working with the War Memorial Hall and the St James School PTA, the PC hopes this will be the first of many more annual events. A grant can be sought from the Vale to help get this first event off the ground. To find out more, please contact Cllr McKechnie on smehpc@gmail.com.

To ensure that contributions from developers are used, the PC will be holding a special meeting, probably in the 3rd week in December or early January (date is to be announced, see the noticeboard, website and Facebook page nearer the time) to discuss how your PC can best spend the funds accrued for specific amenities such as improving the play area, sports facilities and public art projects.

You will have seen that your PC has paid for road sweeping along the main routes through the village (Ashfields Lane, The Green, Main Street, Summertown, Mill Orchard, Brookside and the Causeway). This will be supported by gully emptying and jetting, along the same main routes in due course. This supports the County Council's cleansing regime, which has been reduced over the years of austerity.

Parish Council meetings are held on the second Wednesday of the month, (from 8pm), in the village hall, as follows: **12th December 2018, 9th January 2019, 13th February, 13th March and 10th April.**

West Hanney Parish Council

The eagle-eyed amongst you will have spotted that a tree has been felled in the Parish owned wooded area behind the school. We were reluctant to agree to this as it was a Black Poplar, but Scottish and Southern Electricity insisted, due to its proximity with power lines. Work in the Community Woodland will also be carried out over the next few weeks to ensure trees are clear from cables. SSE tell us that they now require around 5 metres clearance.

It is sad to have to report that items are being removed from the woodland. A quantity of wood for use by schoolchildren at their Forest School activities had been transported there by school staff. Much to their disappointment that wood has gone. A small table used by the children and a heavier adapted Picnic Bench have also gone.

Although the woodland is open to all, it is officially owned by West Hanney Parish Council, and looked after by a dedicated band of volunteers. If anyone has any information about the missing items, please contact our Parish Clerk. 17 people turned out for the last working party of this year on Saturday 10th November. Lots of cutting back and scrub clearing was achieved. Thank you to Paul Sayers for his continued work

organising these working parties, and of course to all those hardy folks who turned out for several hours work.

Thanks to Kay Sayers who provided her usual delicious cake and refreshments. Very enjoyable! A big thank you also to Des Thomas who continues to keep the rides cut with his tractor and equipment. A further 25kgs of daffodil bulbs have been planted around the village over the past weeks by councillors Chris, Graham and Trevor. Volunteers Rob, Nick and Les also helped. A big thank you to them. Please can we have more volunteers to help with Community Speed Watch. Just 1 hour a month from a few more villagers would help us continue our deterrent against speeding motorists. Please contact any councillor, our Clerk, or organiser Gerald Chaffey on 868627 to find out more.

Thames Water have now doubled the size of the reservoir they are planning to build just a couple of miles from us. If the proposal is successful it will be the size of Heathrow Airport. A gigantic block on the landscape with a height up to 80 feet above ground level. If you want to express your opinion you should go to the GARD website for further details. Early as it seems...

Hanney Questionnaire

Think you know our village well?
So here's a questionnaire to tell.
Do you read the Hanney News
And write to Jim to give your views?
Maybe come to History talks
Or join with Bill for Summer walks?
If you wanted longer strolls
Go marching on with Alpine poles?
Patronise the Village Shop
And use Alisa's letter drop?
Have you helped the Litter Pick
With Bob's long "tweezers" – learnt that trick?
Stole a leaf from Stewart's book
And had a swim in Letcombe Brook?
Attended Monday's Garden Club
To find yourself the perfect shrub?
Competed in the Autumn Fayre
With "saucy" carrots...if you dare?
Last and most important test –
Do you live in East or West??
PS: For those of you who seek attention,
sorry if you got no mention!

The Pocket Pop-Up Cinema

Arrives... Winter is coming. We, who
live in the outer zone, not part of the city
tribe... well, we make our own entertain-
ment. And my small POP-UP-CINEMA
hopes to fulfil one of our
desires to walk up the
road, and have an
enjoyable evening out.
We are going to show our
films and provide a safe
and cosy evening where you can not only
see them, but chat at the bar with a few
of the people you see in them. Watch out
for us and come and join us and your
local community for a night of interest-
ing diversion from reality. Starting this

December 15th at Grove Village Hall and
Jan 5th 2019, same venue.

I make films, and they explore our lives
and our reality in fictional, entertaining
and unusual - often quirky - ways. Come
and be entertained and be
in my company and the
company of your
neighbours at our venues
as we endeavour to bring
a small cinema to you:
one where you can walk
to or take a short drive to just down the
road. Tickets are limited so it's best to
book early on-line if you want to be
certain you are here with
us. www.pocket-pop-up-cinema.net

We have some very worthy folk

in our community who do a great deal for it, giving up much time and effort, all on a voluntary basis of course.

Now we have an opportunity to nominate them for a '**High Sherriff of Oxfordshire Award**'. Here's the official blurb from the Sherriff's office....

Applications are invited for nominations for the High Sheriff Awards for the year 2018/2019.

Every year the High Sheriff of Oxfordshire invites nominations for approximately 20 High Sheriff Awards in recognition of individuals in Oxfordshire who have made outstanding contributions to the communities in which they live and work. Nominees will usually have had a high impact on the lives of others over a sustained period of time and will be recognised by other people working in the nominee's area as inspirational and as setting an example for others to follow.

The Awards will not normally be made to people whose work and commitment has already been recognised by the award of a National Honour or by bodies such as the Police, the Fire and Rescue Service and Oxfordshire Charity and Voluntary Action.

Nominations can be made by anyone who lives or works in Oxfordshire or who is representing an organisation in the public, voluntary and charitable or private sectors. All nominations will be treated in the strictest confidence and nominees should not be informed that they have been nominated as it can be very disappointing to raise expectations which are then not met.

The Nomination Process

All nominations should be made on the form ([I can't find a link to download this form!...Editor](#)) which has been prepared for this purpose and should include the contact details of the nominee as well as the nominator together with a brief summary (400 words max) of the reasons why the nominee merits a High Sheriff's Award.

The deadline for nominations is Thursday 10th January 2019.

The Awards will be conferred at a ceremony in Oxford.

Contributions to Community Life

Nominations will be welcome for people who have made outstanding contributions to any aspect of community life but in the current year nominations in the following area will be particularly welcome.

- 1. Coaching or volunteering in Youth Sport and Youth Leadership organisations.**
- 2. Youth projects associated with the Arts and Education.**
- 3. Mental health work in the community.**
- 4. Communication initiatives in communities.**

Nominations should be sent via email to: oxfordshirehighsheriff@outlook.com or by post to: The High Sheriff of Oxfordshire, c/o VSL & Partners, 22 Bankside, Kidlington, Oxon, OX5 1JE. We look forward to receiving your nominations.

**"NOMINATE!
NOMINATE!"**

THE CHURCH OF ENGLAND

Dear Friends,

Star Trek did it by using a slingshot manoeuvre around the sun.

Doctor Who uses a Tardis to do it.

Marty McFly's adventures with it involved a converted DeLorean car.

Although no one has actually invented a time machine, it is an idea popular in science fiction. Going forward in time would be scientifically possible, if we could travel fast enough. Travelling into our own past is seen to be impossible. But, in some small ways we are all able to travel back in time.

Listening to an old piece of music.

Smelling a familiar scent.

Going back to a place we know.

All these things can bring our memories vividly back to life. As if, we are back in that time and place once again. These can be memories of happy times, previous achievements or painful recollections of past hurts and trauma. Our past is usually a bittersweet cocktail of all that we have lived through and endured.

During this time of year, we are particularly in a season of memory. From All Saints Day to Remembrance Sunday, we have thought about those who have come before us, all that they experienced and all that they mean to us. Then we have Advent and Christmas, when we both look back at all that God has done for us, in sending us his son Jesus Christ to live as one of us, as well as looking forward to a new year and all that it holds.

Right in the middle of our Sunday communion service are the words: Christ has died; Christ is risen; Christ will come again. They remind me that in every moment we experience there is an inter-connection between our past experiences, our present reality and our future possibilities. That God is active, in our past, our present as well as our future.

May this be a season when you can reflect on the year that has been, while considering your current life situation before you make plans for what is to come. While we all speed forward in time...to next year!

God bless,
Alec

Darlings!!...me again and I bring 'glad tidings of great joy' - topical eh? Thanks to the continuing rude health of your favourite corporate business empire, 'Hanney News Global International', we are able to announce that from 2019 we will no longer be charging the Parish Councils for their pages each month. Likewise for our local clubs and societies whose info and notices we include on pages 3, 26, and 27.

With love from your favourite VJJ - Very Jaunty Jilly!

Two items of infrastructure

that I've mentioned earlier this year are the hideous great concrete blocks on the bridge at Poughley Farm, and the stile at the end of Snuggs Lane, both in East Hanney. As we approach Christmas, when the standard response to any enquiry seems to be 'Sorry, all closed down till after the New Year', I thought it would be useful to give you an update before everyone gets all festive and silly.

The blocks are still there with no sign of any work being done on the bridge, so I emailed Mr Blockley, the very helpful gent at Oxfordshire County Council to ask for the latest. His response contained mixed news - the budget is still intact, but engineering snags have apparently caused a delay. I quote...

"At a recent meeting with the engineers, I was shown a project timetable and was assured that construction would commence before the end of the financial year."

He added... *"As ever, I appreciate the patience and understanding of you and your readers."*

Thanks to Mr B for his response. He is the poor fellow tasked by the

Council to deal with pestering folk like me in a polite and dignified fashion. He deserves a pay rise, though maybe not the engineers. Let's hope they will get their act together soonest, meaning that in the not too distant future we can say goodbye to those dreadful blocks as well as having a nice new bridge!

What about the stile?...well 'surprise surprise' as our Cilla used to say, it's just that bit older and more rickety looking than ever, with moss and ivy growing on it. Now of course it's also getting damp and very slippery as Winter nears. In spite of approaches to the owner by East

Hanney Parish Council, nothing has been done to improve it, and it remains in a dangerous condition in my humble opinion. The message is clear on this...extreme caution is needed...use at your peril!

Warning!...I don't usually print this kind of 'stuff'...some may see it as overtly political, and in my view that's not the purpose of a parish newsletter. However, I found it thought-provoking, and well worth a read, with links to both sides of the argument. It was sent by some concerned folk in Garsington to all Parish Clerks. (I have slightly edited it.) At the last East Hanney Parish Council meeting, the councillors described the 100,000 home proposal as 'nonsense', and wondered if it was a joke.

"Do you want 100,000 new houses and a new motorway in our Oxfordshire landscape? Your District Councils think you do.

Our local authorities want to build 100,000 new homes in Oxfordshire by 2031 - there's currently 268,000... a massive 40% increase!

The Sept '18 report by the Office of National Statistics shows we only need 23,000 new homes in the county by 2031 to support anticipated population growth.

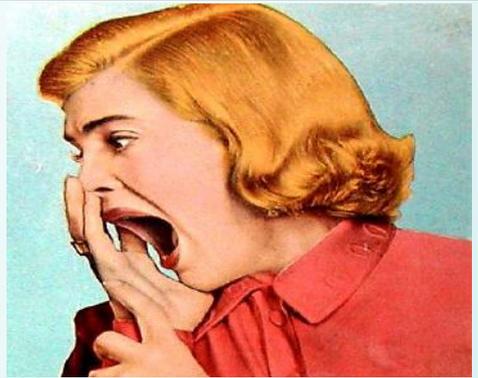

A plan to substantially increase the population of Oxfordshire is being developed by a committee called '**The Oxfordshire Growth Board**', which comprises all District Councils and the City Council, with the aim of delivering **enhanced** economic growth.

This is a choice and is NOT necessary for the residents of Oxfordshire to continue to prosper within the boundaries of the existing landscape and organic population growth. We already have a successful local economy.

The impact of this plan will be...

Replacement of our countryside with an urban sprawl of houses, business parks and new roads.

Increased traffic congestion, associated

air pollution and noise.

Further pressure on already stretched public services including schools, hospitals, GP's & social care.

Loss of wildlife habitats.

Increased flood risks.

Potential for Infrastructure failure - e.g. water supplies, sewage systems, roads.

Constant building disruption for years.

The impacts will be even greater if the government plan to transform the Oxford to Cambridge corridor goes ahead as it has the aspiration for a million new homes.

Regular readers of this

humble rag that you hold in your hand - or maybe it's wedged against the Marmite jar on your breakfast table? -

will know that I'm

a big fan of our

very own Flood

Group. So I'm very

happy to give you

the brief update on their splendid recent work that I received from them...

"A big thank you to the 16 volunteers who turned out to remove two trees

which had fallen across Letcombe

Brook in recent weeks and had begun

to block the flow of water. We also

discovered that two of the three pipes to the by-pass were becoming choked by the debris caught up in the fallen trees, so a timely intervention. Thanks

again for a great team effort this morning - we do make a difference."

Indeed you do, Sir

Clive of Manvell - for it was he who penned the above - or was it Sir David of Stubbington? Both fine upstanding members of the group. My memory's gone, but no matter, they are wise words. Keep on keeping on ladies and gents of the group! If you can help, please contact Sir Clive on 868216.

Dear Editor

Thames Water's latest proposal for a huge tank reservoir, 30 m high and 50% larger than that in the previously rejected plan, has a start date of 2025, so it is no longer 'out of sight'. All those who have not yet expressed their views on the

proposal are encouraged by the 'Group Against Reservoir Development', GARD, to lodge them on the Thames Water 'Consultation' web site [https://](https://haveyoursay.thameswater.co.uk/engagement/shape-your-water-future-revisions-to-the-plan/)

haveyoursay.thameswater.co.uk/engagement/shape-your-water-future-revisions-to-the-plan/. Alternatively to email the consultation team at:

water.resources@defra.gsi.gov.uk with title "Thames Water's draft water resources management plan" in the subject line, with a copy to

consultations@thameswater.co.uk. The deadline for comments to the TW

'consultation' is 28 November, so immediate action is needed if you wish your views to be considered. The aim of GARD is to ensure that Thames Water's new proposal is subjected to a new Public Enquiry.

Michael Hutchings

Dear Editor,

May I bring to your readers' attention the excellent lunches available at the Plough in West Hanney, especially the recent addition of a special menu from Wednesdays to Fridays at the very reasonable price of £10 for main and dessert, generous helpings! They also provide, on the main menu, smaller helpings for those of us with smaller appetites! Yummy!

Hope to see some of you there.

Regards,

Jean Sutherland

It's always nice to hear from friends who have moved to pastures new, so I was delighted to receive an email from James and Angie Miller, who, as many of you will know, now own a pub in Wales. They were a great loss to our community, but the news is good from what a Welsh friend of mine calls 'The Dark Side'. (He means Wales!) Here's what James told me...

"The four of us are now settled in our new home, the beautiful Pembroke-shire village of Nevern, two miles from the sea and at the foot of the Preseli Hills. After finally realising the dream of buying a pub, we find ourselves the proud owners of the Trewern Arms Hotel, a 16th Century Inn on the banks of the River Nevern. The pub has a big restaurant, ten rooms, a slate-floored bar and a big function room - have a nose on our website: trewernarms.com. It's not been easy, and needless to say I now appreciate much more the fantastic job that Nicky (at the Black Horse) and Nick and Trish (at the Plough) do, and the difficulties they face every day doing their very best for the villages. We'd love to see any of our old friends from Hanney, so please come and say 'shwmae!' Love to all from Angie, James, Sapphire and Willow."
