COVID 19 — Community Response Team

Dear Resident

We know many of you will be feeling a little anxious about what the next few months may bring and will perhaps be concerned about how you will manage if / when you need to self isolate.

We want to assure you that help is at hand and East and West Hanney Parish councils will be working with community volunteers to provide assistance with emergency shopping and prescription collection.

If you are self isolating now (or in the future) and need community support please contact us on:

Tel: 07385 583000 or

via email: hanneycovid19@gmail.com

If you are able to volunteer we would love to hear from you.

Please drop us an email and please do get in touch!

- We need your help supporting our residents
- We also urgently need your help to assist running our village shop.

The Hanneys are a fantastic place to live, our communities are strong and resilient, we want every resident to be assured we will be here for you when you need us and will warmly welcome all offers of help.
